

Fiscal Agent Contract Rebid

- EDS Information Systems, L.L.C. won the original Medicaid fiscal agent contract in 1977 and has successfully rebid on subsequent contracts.
- In November 2004, DHFS awarded the Medicaid fiscal agent contract to EDS.
- The EDS proposal received the highest technical score and had the lowest cost of the proposals from three highly reputable competitors.
- The EDS proposal includes the development of a new, web-based MMIS.
- When fully operational in 2007, the costs will be \$18.6 million less annually than current costs.
- Total savings are \$93 million over the 5-year contract period.
